

Our Patronal Feast, The Feast of Our Parish, The Assumption of the Blessed Virgin Mary, is fast approaching.

With that, in both mind and heart we should make special preparations in anticipation of that day. Leading up to "Our Feast" one may want to take on particular fasting, abstinence, additional prayer or meditation and acts of kindness and charity.

By such acts we may also, humbly, expect Our Patroness to look upon us and our prayers with particular maternal graciousness. We are dedicated to Her under the title of Her Assumption and as such anticipate Her generosity on our Feast.

Votive candles will be available to burn before our beautiful image of Our Patroness. This is particularly important for ALL PARISHIONERS to participate.

Bring all your needs and wants in all your turmoil and joy. All your fears and gratitude for blessings and let your prayers burn at the feet of Our Queen. Special graces are sure to come to us.
